Brothers and Sisters.

I'm writing to inform you that our 10% Hazard Premium Pay will continue through November 30, 2020, with the exception of members at SLAC where it ended on August 31, 2020.

We also will have several important updates later this week regarding the following:

1. State of California New COVID 19 Supplemental Paid Sick Leave Benefit of 80 additional sick leave hours.
2. Winter Closure 2020

We'll be in touch again soon.
