

Sent November 13, 2020 - Union Update #16

Brothers and Sisters,

We have and will continue to advocate for Hazard Premiums, Quarantine Pay, Lab Curtailment Pay, and Caregiver Pay policies and we have some good news to report:

The Quarantine Pay Policy has been extended for all campus locations until **March 31, 2020**

****At SLAC, this is called Lab Curtailment Pay for SLAC and it is set to expire November 30, 2020 but is currently under review by the Department of Energy for a possible extension****

The 10% Hazard Premium Pay has been extended for all campus locations through **March 31, 2021.**

At SLAC the Department of Energy ended the premium on August 31, 2020; though it is also under review again for reinstatement**

The Caregiver Pay Policy we have not had much success in having Stanford extend or enhance past the date it is set to expire on **December 21, 2020.** This is the policy which made available 60 hours to provide child or elderly care. We will continue to advocate for its extension and enhancement and will let you know if we are successful.
